

Bunny Leech

| | |
|----------------------|--|
| Hook: | Daiichi 1510 size 10 |
| Thread: | Gray 6/0 Uni-thread |
| Body: | Gray Rabbit Strip |
| Thorax: | Rabbit/Thread |
| Wing Case: | None |
| Rib: | None |
| Instructions: | <ol style="list-style-type: none"> 1. Secure thread near head and back to bend. 2. Lay a strip of rabbit along the length of the hook. 3. Leave at least 1 inch of the strip for a tail. 4. Separate the fur and secure the strip to the hook with 3-4 turns of thread. 5. Wrap thread forward to just behind the eye. 6. Leave room for a large head. 7. Separate the fur and secure the strip to the hook with 3-4 turns of thread. 8. Trim excess, whip finish, and cement. |
| Variations: | Brown, black, gray, ginger or white rabbit strips are most popular. Experiment with different colors. Dub a body under the strip in a color to match. Add some flashabou or krystal flash to brighten things up. |
